## Featured Companies

## Featured Examples

**OU Medicine (Careers)**  
[careers.oumedicine.com](https://careers.oumedicine.com)

I provided all front-end development using the Razor templating engine for accessibility-friendly HTML, CSS (Sass), and JavaScript.

**Olive Garden (Jobs)**  
[jobs.olivegarden.com](https://jobs.olivegarden.com)

I provided all front-end development using the Razor templating engine for accessibility-friendly HTML, CSS (Sass), and JavaScript.

**American Salon**  
[americansalon.com](https://americansalon.com)

I provided all front-end development with site-building & custom theming using CSS (Sass), JavaScript (jQuery). This site is part of a multi-site platform I helped develop with Drupal.
