## Clients

## Examples

**OU Medicine (Careers)**  
[careers.oumedicine.com](https://careers.oumedicine.com)

Provided all front-end development using Razor templating for accessibility-friendly HTML, Sass, and JavaScript on the ACTIVATE platform.

**Olive Garden (Careers)**  
[jobs.olivegarden.com](https://jobs.olivegarden.com)

Provided all front-end development using Razor templating for accessibility-friendly HTML, Sass, and JavaScript on the ACTIVATE platform.

**American Salon**  
[americansalon.com](https://americansalon.com)

Provided all front-end development using Drupal with custom theming, CSS (Sass), and JavaScript (jQuery) for styling. One of many sites on the TEKTITE platform I developed for the front-end.
