Examples

OU Medicine (Careers)
careers.oumedicine.com

Provided all front-end development using ASP.NET Razor templates for accessibility-friendly HTML, CSS and JavaScript on the ACTIVATE platform.

Big Lots (Careers)
careers.biglots.com

Provided all front-end development using ASP.NET Razor templates for accessibility-friendly HTML, CSS and JavaScript on the ACTIVATE platform.

American Salon
americansalon.com

Provided all front-end development using Drupal for custom theming, CSS & jQuery styling, and the user experience workflow. One of many sites on the TEKTITE platform I developed for the front-end.
